### ***Minutes***

#### **Schedules:**

- Collegiate D1 - Va Tech has decided to compete for the fall championships. They will still be in the CGRU/CRAA. Unsure how that affects the remaining 4 teams.
- Collegiate D2 - Paige has heard from many teams who are concerned about numbers since recruiting won't start until the semester does. She's working with them on recruiting strategies.
- Women's D2 - We are adding Asheville (Carolina Villains), Atlanta Harlequins. Charlotte may move to D2 which needs to be finalized. Last contact was July 4. Clayton has just informed us that they are starting a women's team. Callie is just waiting on the men's schedules to be completed so she can coordinate.
- Men's D2 - Matt/Andy to reach out to Charleston/Savannah/Onslow about moving up from D3. Need to finalize schedule by end-of-week.
- Men's D3 - Matt needs info from AOW about their D3 team moving to CGRU.
- Men's D4 - Allen traveling; low number of teams with a few teams indicating they were starting but not definite (eg. Myrtle Beach)
- Scott shared availability survey data.

### **Registration costs:**

- Scott shared cost breakout using the data from the 3 instances of SportLomo.
- There has been no indication of any changing costs for USAR (registration/insurance), CRAA D1/D2, Sr Club Council.
- CGRU club players are currently \$23, collegiate is \$0. Some ideas on cost increases were discussed. Exec team needs to discuss and propose a vote by end of week.
- CGRU is one of the lowest costs in the country.
- College: NCR pays:
  - \$75/player + \$200 team (small school)
  - \$30/player + \$1750 team (large school)
- Scott/David doing some research this week to understand other unions.

### **Rugby Xplorer:**

- Scott attended another meeting last week. Still concerns about getting it implemented for the fall season.
- We do not yet have a login to start building.
- While it comes with a free website, we have no examples as to how it works. Current website is on SportLomo so we will need to change.

Next meeting to be scheduled August 15, 7pm
