Attending: D Morris, E Dixon, S Conway, C Woods, A Peacock, M Haney, A LeCroy, M Willer, JK Anderson

Absent: L Morris

Introductions

Introduction of each member of the board. Many first timers with a few who have been on the board for a few years since inception.

Financials

With no data last year due to Covid, there doesn't seem to be a need to change the prior year's budget. The CGRU currently has a positive balance and expects to finish the year with equivalent assets. There are multiple bank accounts - David is in the process of combining into one for easier access. All expenses must be accompanied by a receipt going forward.

Cov-19/Delta Virus Guidelines

David and Scott will be drafting a union policy. With teams across 4 states, The union will largely leave the decisions to the teams so long as all local and state guidelines are followed.

Fall 15s Season

All teams have been provided a step-by-step guide on how to register the team with USA Rugby. Some teams have had difficulty logging in.

- *Note: This issue has been resolved. Division Directors are able to update passwords within SportLomo. If there are any issues, contact Scott.*

Division Directors have schedules set. Scott asked for them not to be inputted until he has met with SportLomo and USArugby in the upcoming week. This should be resolved shortly.

CGRU Technology

Scott reviewed the roadmap for our technology:

- We purchased a new domain. 'CGRU.rugby'
- New email addresses have been created for the board. All should have received invites to their current personal email addresses. These are Google-based so we also have access to docs/spreadsheets/calendars/etc. It will make for easier document sharing, a better paper trail/history, and better security.
- The website will transition from Carolinasrugby.com. However, all pages are currently being audited for broken links, formatting, and correct data. A re-direct will also be created for the old domain.
- Scott is investigating the ability for teams to charge their dues through the individual CIPP registration process.
- All schedules and standings on the website will be updated shortly.

Referee - New Rules for 2021

Mike Willer reviewed the new Global Law Trials for the upcoming season.
