#### III. Dir of Ops/Comms:

##### A. RX Update

1. Many teams not adding roster and updating match details

2. Div Directors need to confirm and update to "Result"

##### B. Priorities

###### 1. Website

a) Meetings w RX

b) Already started wireframes and initial pages

c) Need graphics; Marketing overhaul?

2. Rules & Regs revisions
    - a) Forfeit rules
    - b) Playoffs
    - c) Promo/relegation
    - d) Discipline
  - C. Volunteer plan
    1. Email going out this week to call for players to join a task force on volunteers
  - D. AGM planning - Date, nominations/elections, new teams,
    1. Sunday 5pm 1/29
    2. Full members are eligible to vote.
- IV. Select 7's update (JK)
- A. Cayman tournament
    1. Successful; women won, men lost in semi's
    2. Slightly over budget due to a hardship & cancellation
    3. Good relationship w Cayman, may be coming to US
    4. Need press release out; Canva?
- V. Division Director Updates
- A. Callie
    1. Teams are low on numbers. Sending out survey to determine needs.
  - B. Andy
    1. Unable to make it
  - C. Matt
    1. Charleston and Onslow w 30+ pt differential
    2. How do we enforce the technical zone? Refs are responsible for enforcement. However, refs only notice it after it has become an issue. There needs to be pre-match discussion.
  - D. Allen
    1. Ref(s) still not aware of D3 Silver rules mods; Ref in our match was less than satisfactory (physically unable to keep up with the game - def affected play)

2. Too many forfeits occurring but matches are being played(JC v SoPi; CRFC v JC)

E. Nancy

1. Determine matrix matches

F. Paige

1. Elon asking to join; meetings this week
2. ECU dropped to 7's due to lack of numbers
3. NC A&T doing some
4. Rucktoberfest tournament this weekend w 6 teams
5. Go4.io is good to find trainers.

VI. Referee

- A. List of 43 CGRU members who are certified refs in RX sent to SERRS on Oct 10. This could be part of the short-term solution while recruiting & certification class would be more long term.
- B. New referees would need to be registered w SERRS and then would be added to the list of refs; training as appropriate.
- C. Are refs registered w USA Rugby in RX?

VII. Serious injuries

- A. In RX in the Movements section, there is an option for serious injury. While basic information is OK, we need to be careful not to include any details that may be considered a HIPAA violation. Anything requiring a hospital visit would be considered "Serious". A simple note such as "broken arm" is fine, but we should not upload any details.

Next meeting to be scheduled Dec 12, 8pm (Monday)
